The Lutz Parent Group would like to extend Happy New Year wishes to all the Lutz students and their families.

We are sending out this Volunteer Sign Up Form with the hope that you will consider helping out at some of the events we have scheduled to close out the 2019/2020 school year. Some activities involve being at school, while others require working from home or purchasing something for a specific event.

So please...

SIGN UP TO VOLUNTEER NOW!

Please choose the event that works best for you and fill out the form below. The chairperson for that event will contact you as the event gets closer to remind you of your commitment.

Thank you in advance for your help! ~ The Lutz Parent Group
