

Hi — ,

I would like to introduce myself, my name is Roxanne Kay Bernieri. My birthday is January 12th. I am a former student of Lutz school. I attended Lutz from September 2014-July 2019. (Almost 5 years)! I then attended Flynn from July, 2019-March 12, 2020. (About 7 1/2 months total). After that time, all schools were closed due to COVID 19. Unfortunately that Thursday was my last day of formal education. I completed in August, 2020 with a ceremony at my home. I had a vehicle parade down my street. The MISD bus concluded the parade. The bus was decorated with photos of the completers, on the windows. We held the official ceremony on my front lawn. At the current time, I have been staying active by exercising.
